

# MEMORY KIT '60

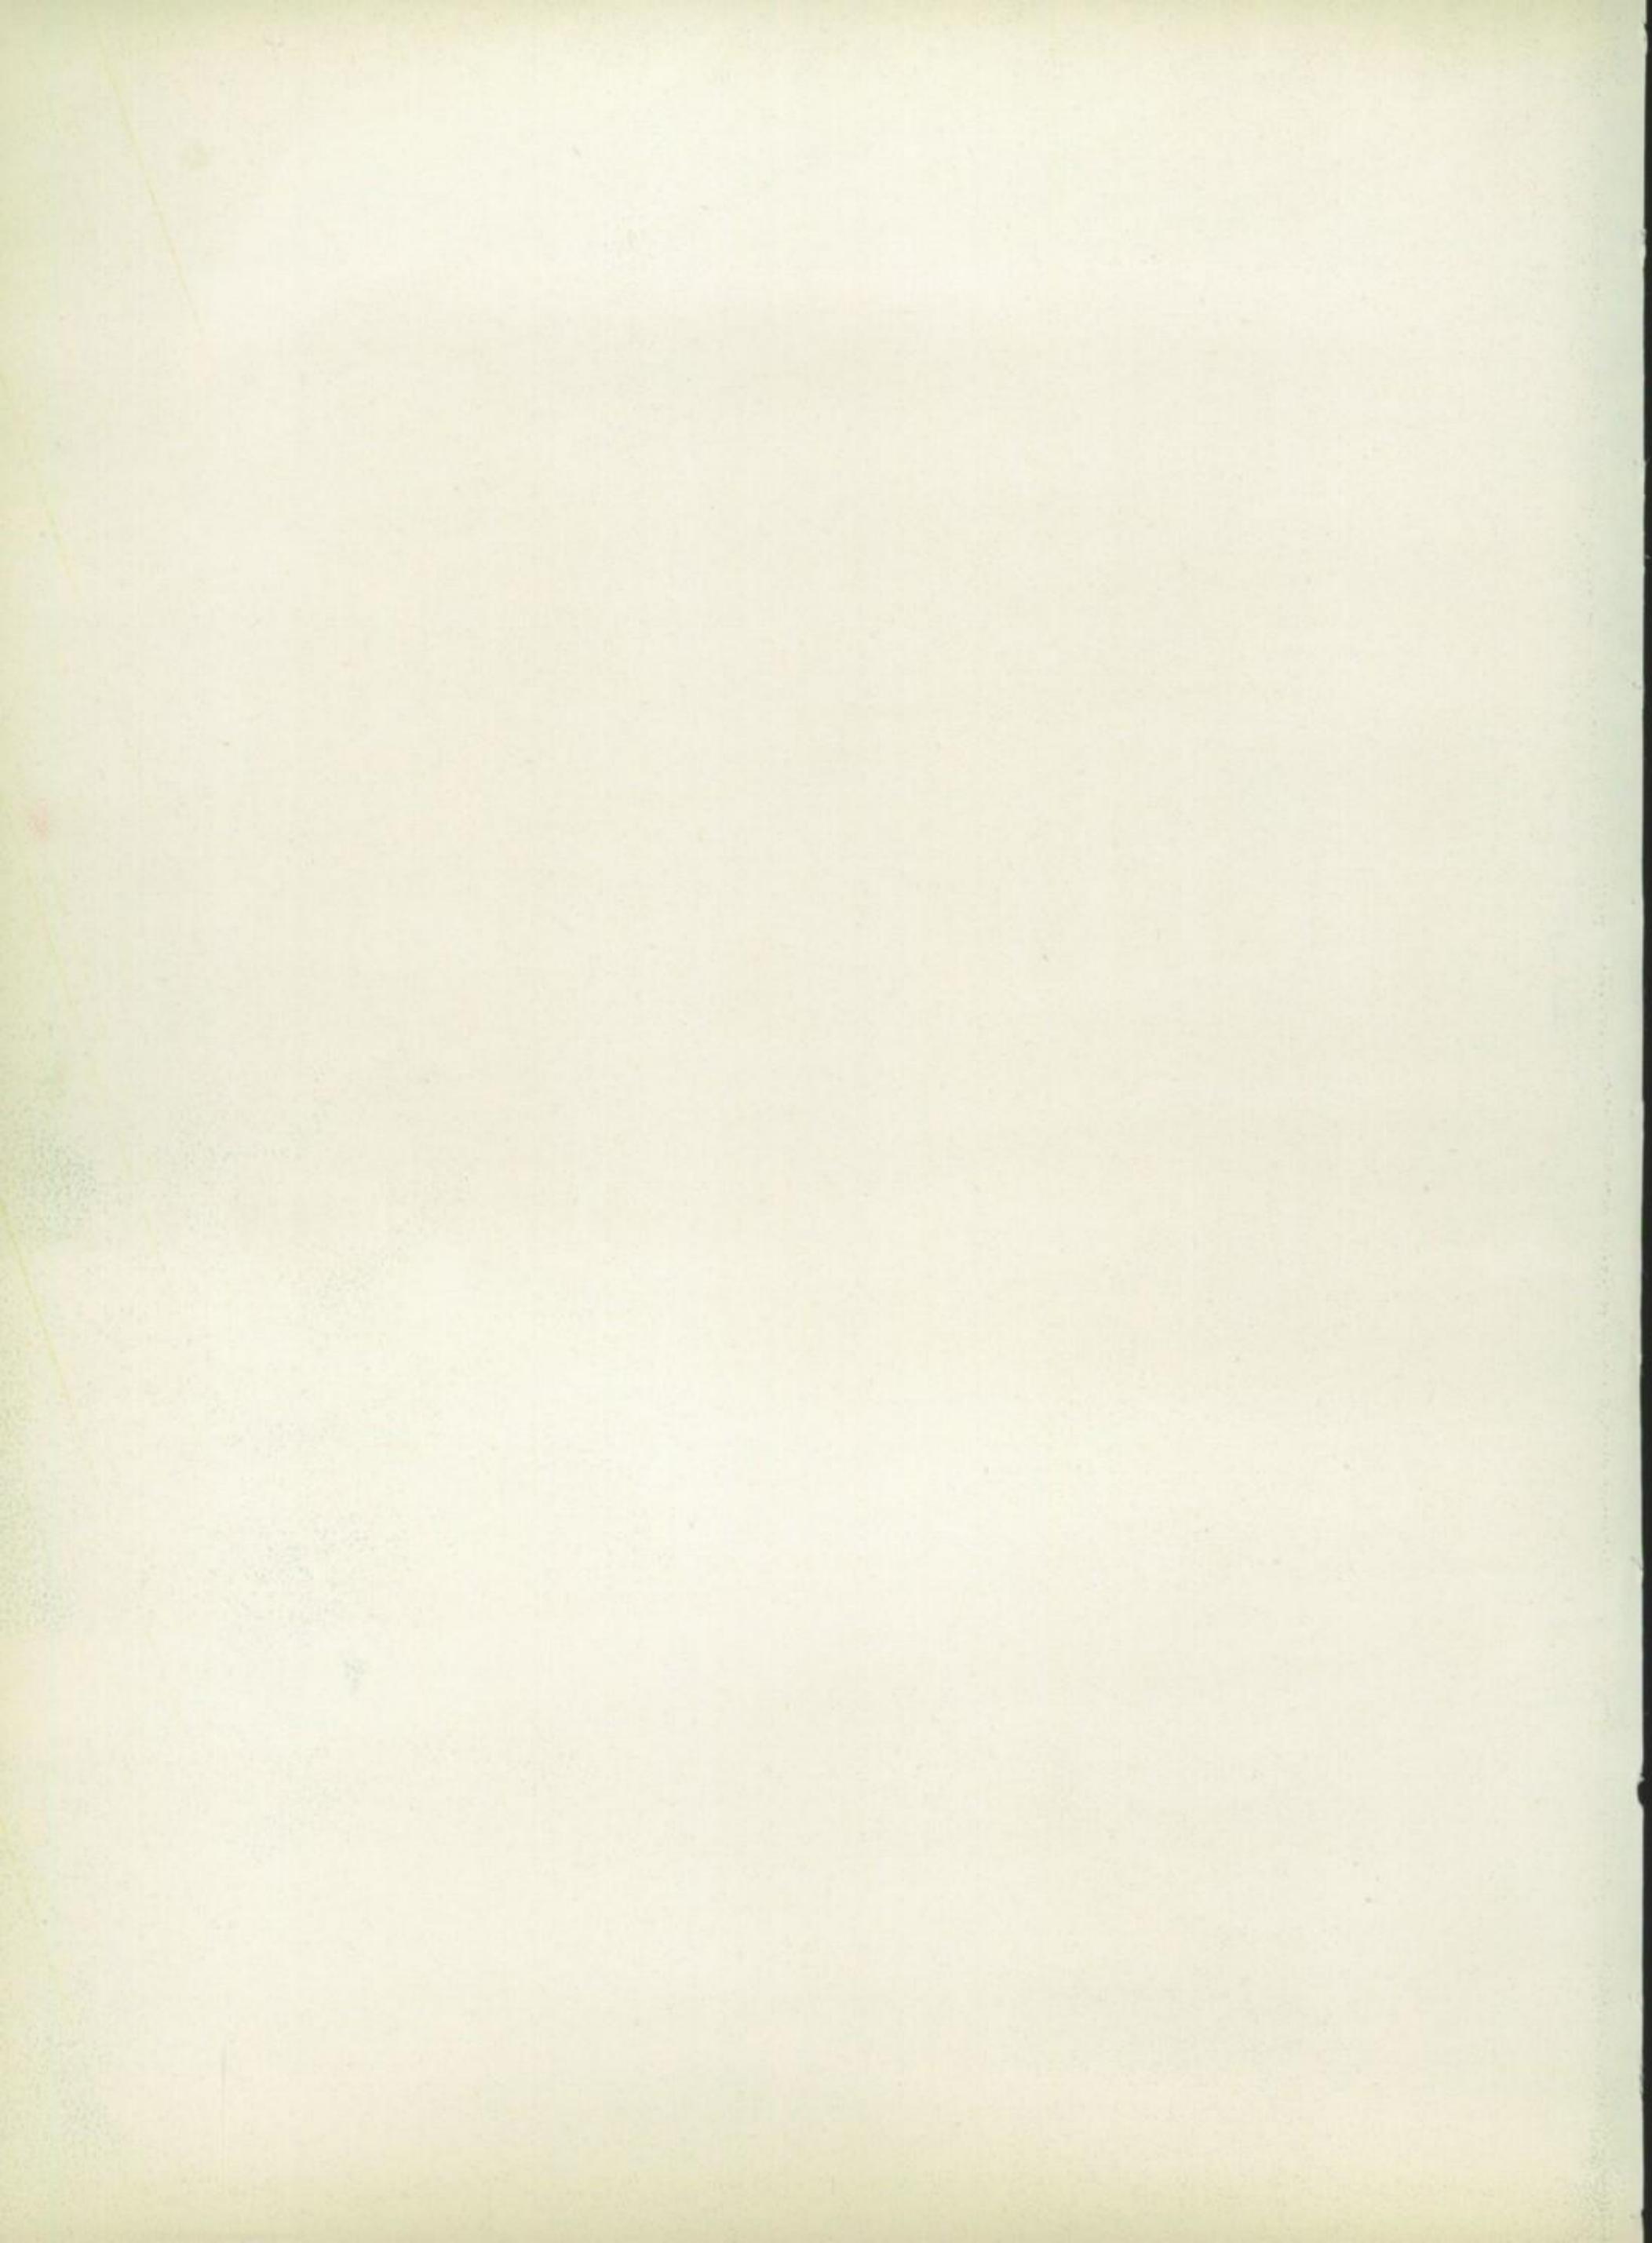

## *Foreword*

Life is ever changing; so is life at Marion High School. This school year marks a change in our growth numerically. We hope this year 1959-60 also marks a growth in achievements and accomplishments.

In this '60 Memory Kit we have tried to record the activities, and scholastic achievements of the student body and the faculty who directs them. May this book and the year it records be for each of you—a memorable year . . .

# *In Memoriam*

Maurine Baker

The 1960 Memory Kit wishes to pay respect to one whose devotion and dedication to our youth has been a universal influence for good.

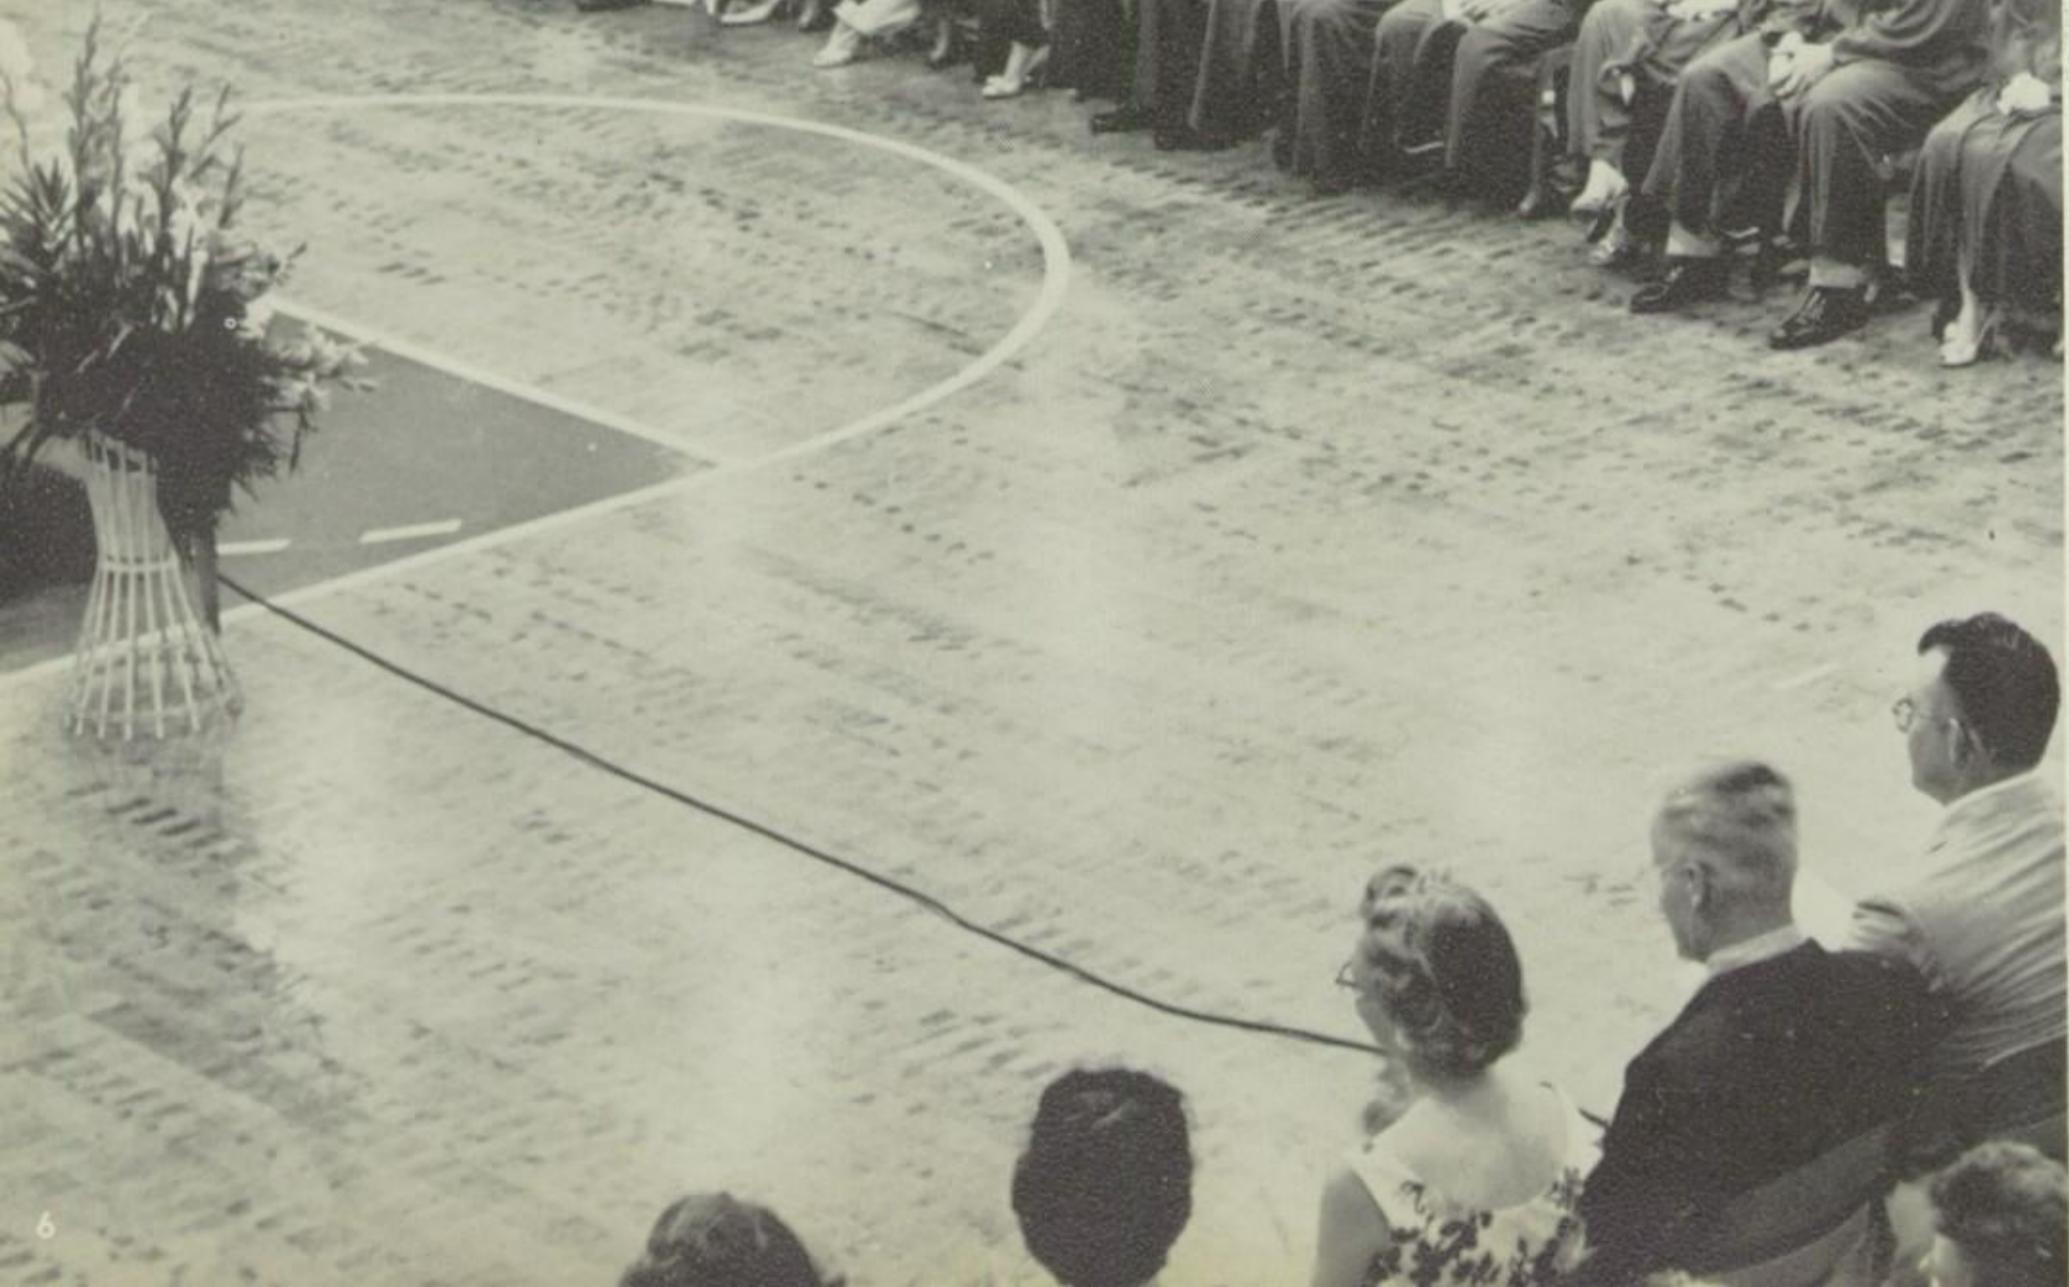

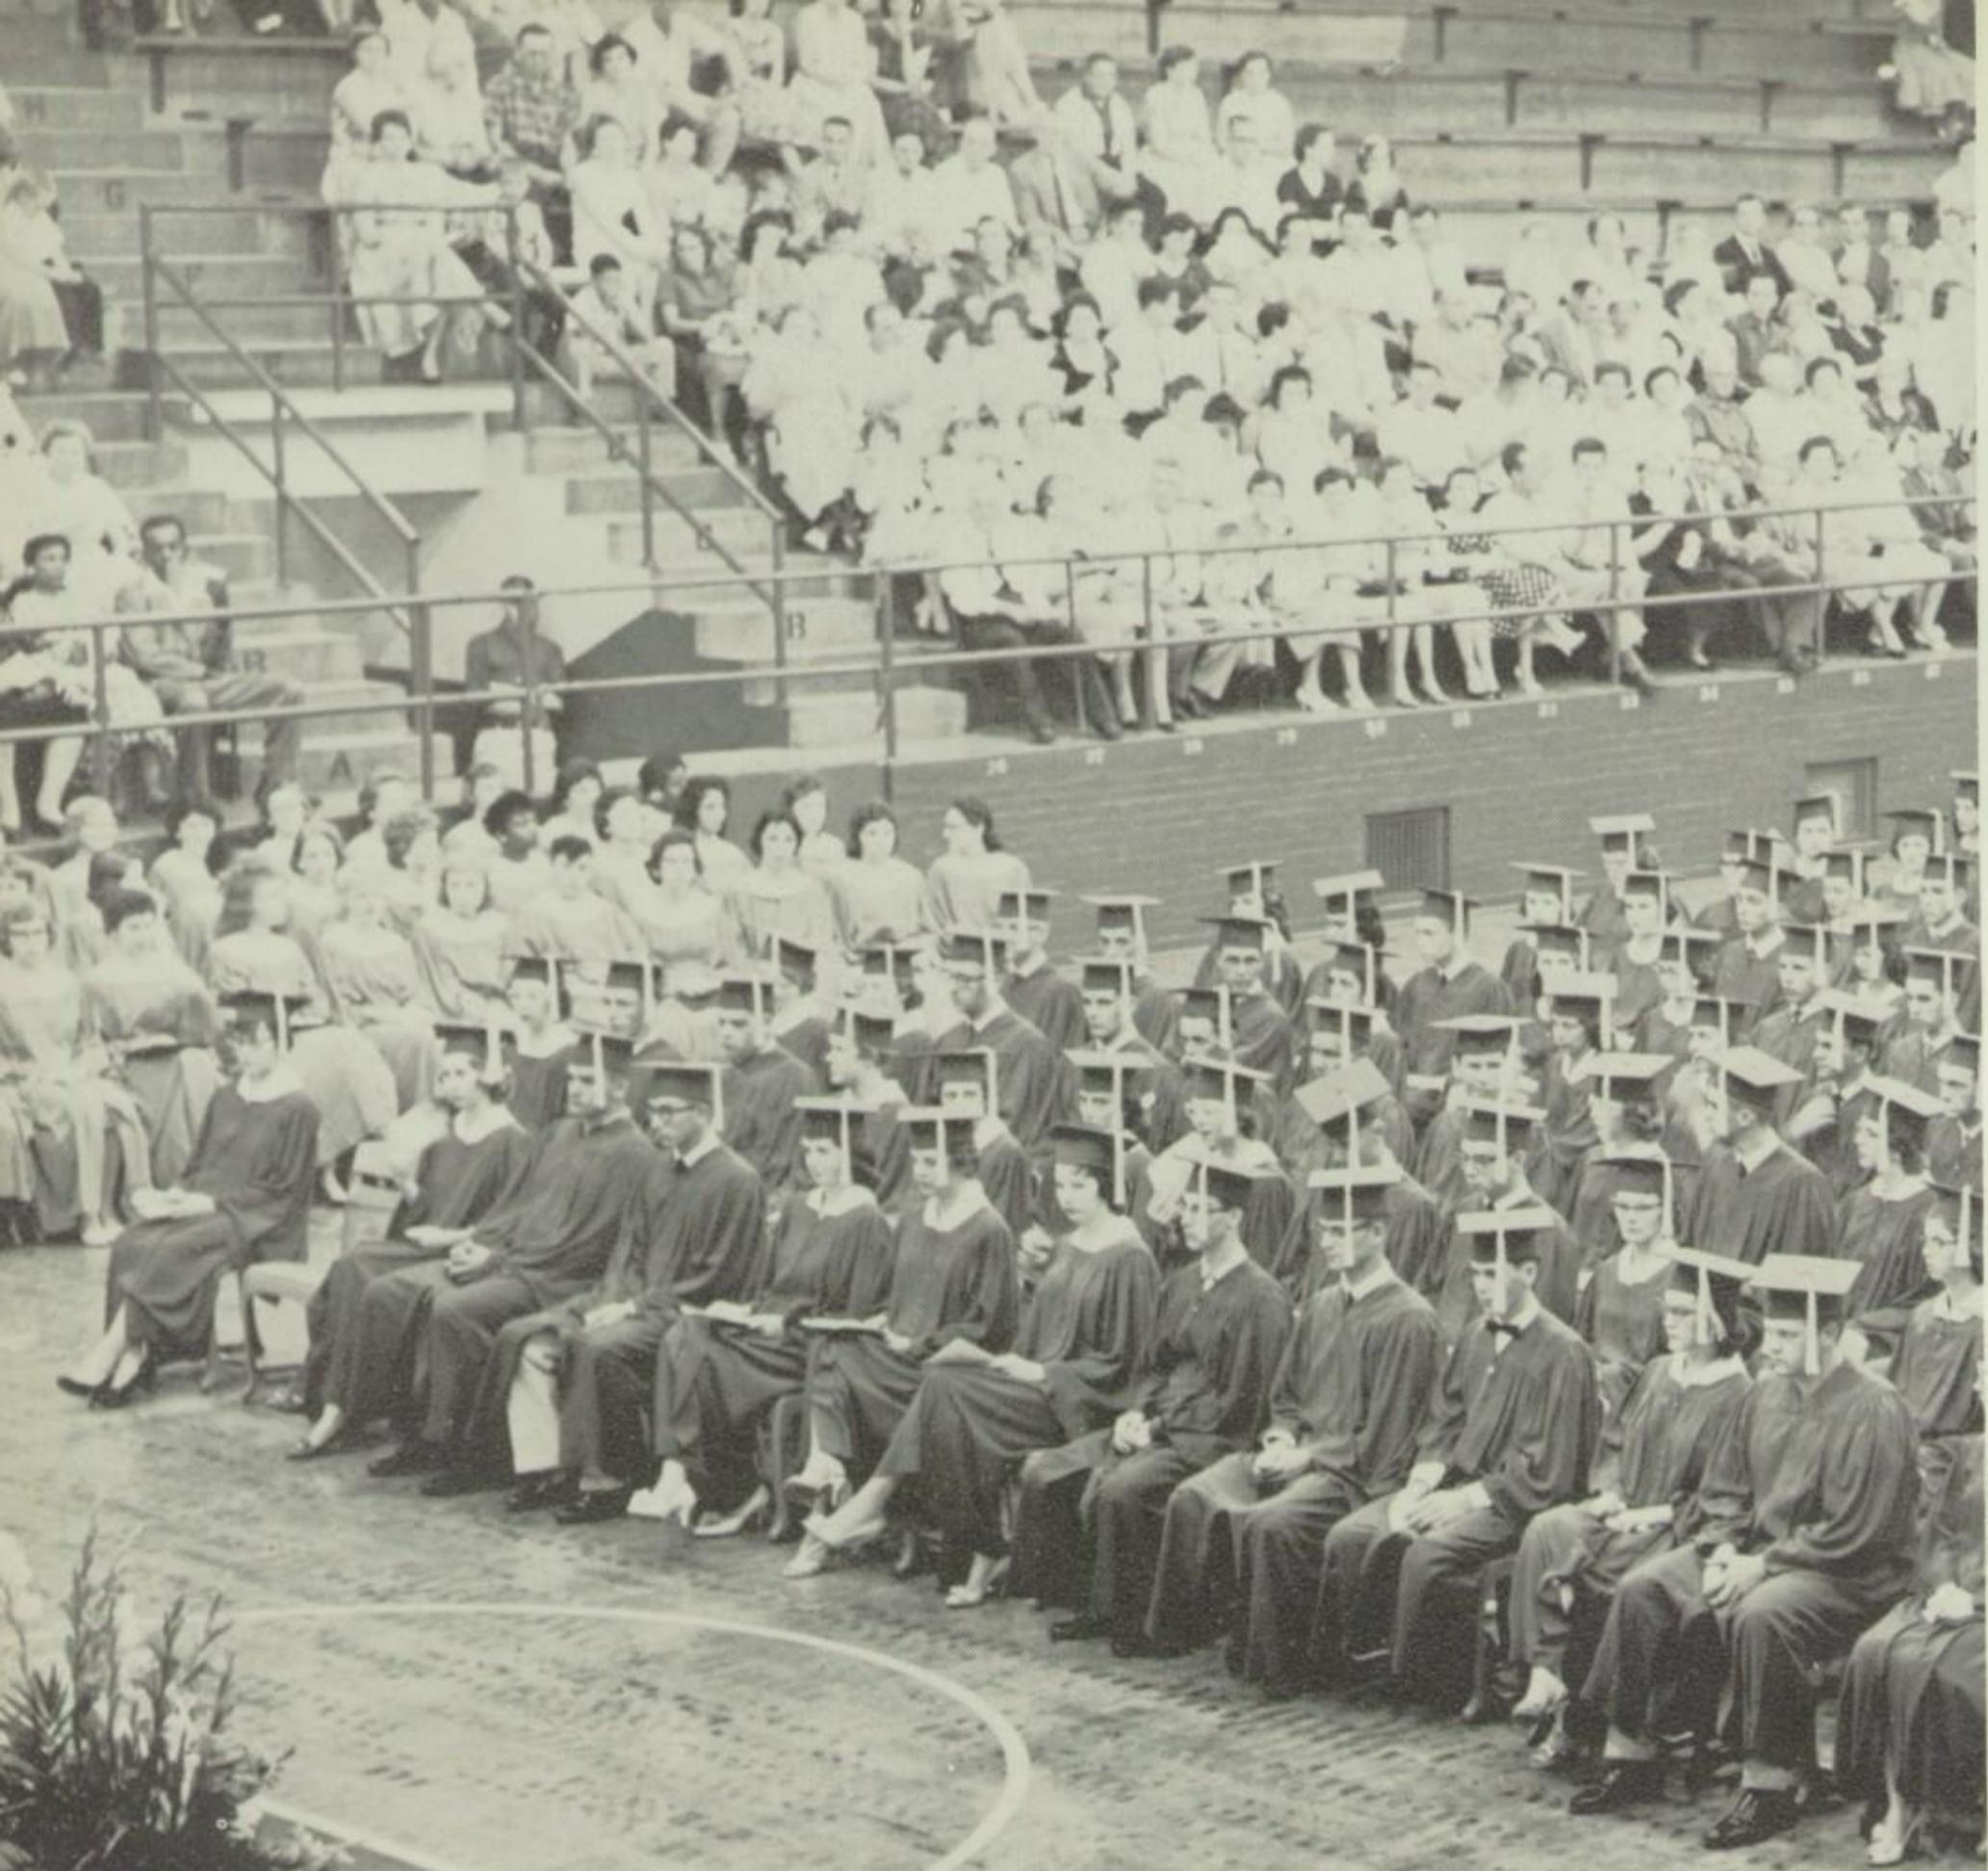

Miss Maurine Baker died at her home in Marion, Illinois, on Monday, April 20, 1959.

Miss Baker, after graduation from Marion High School, attended the University of Illinois, where she became a Bronze Tablet honor student and a member of Phi Beta Kappa. She received her master's degree from the University of Chicago. She soon returned to Marion High School to teach history and literature.

Early in her teaching career Miss Baker became the sponsor of the Hi-Tri League of the school. Great has been the number of girls whose characters have been lifted through her gentle guiding influence.

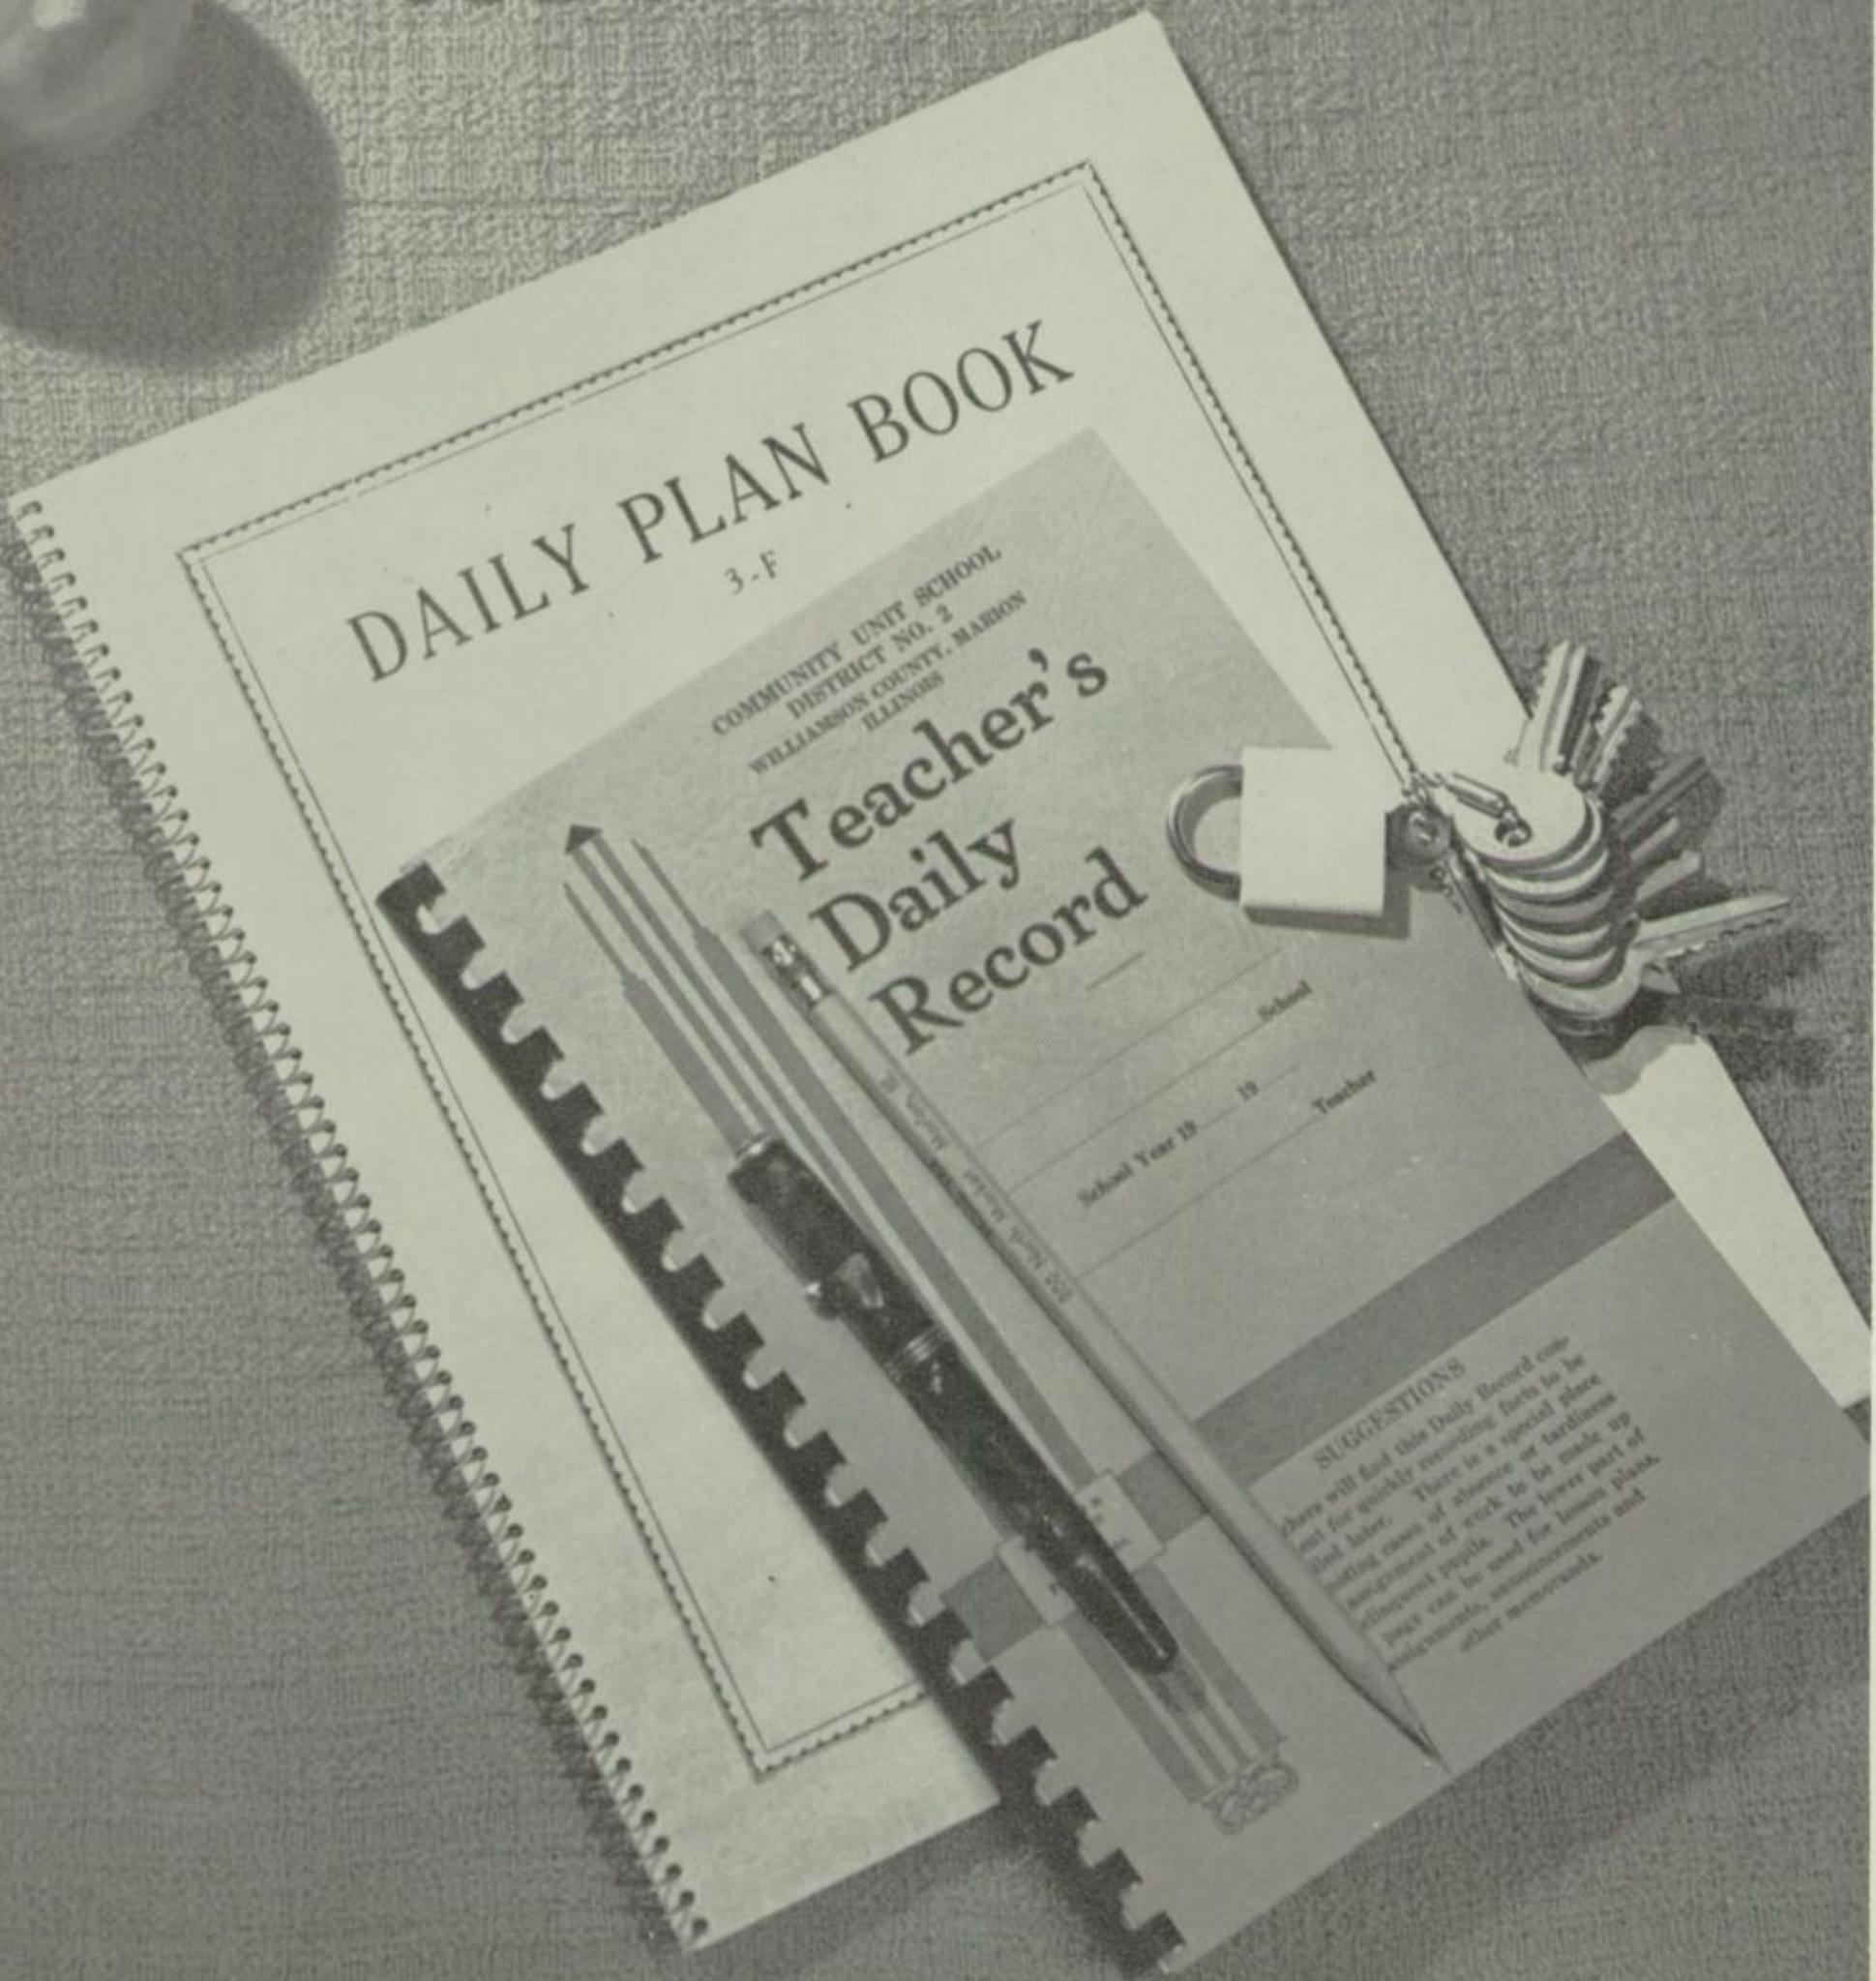

In the year 1949-50 she taught in Nuremberg, Germany, for the American Field Service, and in 1952-53 she taught under a Fulbright Fellowship at Haarlem in the Netherlands.

Miss Baker will long be remembered by those whom she taught and served.

## *Senior Play*

In November 1959 the Senior Class presented "The Curious Savage," a comedy in three acts. The story is centered in the living room of the Cloisters in a town in Massachusetts. The "Home" is not an "asylum" nor are these good people "lunatics." The story is to contrast them with Mrs. Savage's children and the insane outside world. This was the first Broadway Play produced by the students and was written by John Patrick. Mr. Robert Wallace was the director.

—Who is my favorite photographer?

I could make you a speech on that question — it's  
CARL SORGEN, of course.

Our Congratulations to the Memory Kit Staff for  
the Outstanding Job You Have All Done on This 1960 Edition.
